I understand that my overriding duty is to the court, both in preparing reports and in giving oral evidence. I have complied and will continue to comply with that duty.

I am aware of the requirements of Part 35 and practice direction 35, the protocol for instructing experts to give evidence in civil claims and the practice direction on pre-action conduct.

I have set out in my report that I understand from those instructing me to be the questions in respect of which my opinions as an expert are required.

I have drawn to the attention of the court all matters, of which I am aware, which might adversely affect my opinion. Wherever I have no personal knowledge, I have indicated the source of factual information.

I have not included anything in this report, which has been suggested to me by anyone, including the lawyers instructing me, without forming my own independent view of the matter. Where, in my view, there is a range of reasonable opinion, I have indicated the extent of that range in the report.

At the time of signing the report I consider it to be complete and accurate. I will notify those instructing me if, for any reason, I subsequently consider that the report requires any correction or qualification.
